STANDARDIZED INTERIOR WOODWORK

1933

The Good Will of thousands of satisfied customers whose patronage continues year after year is a fitting testimonial to

The "Quality" of *Angel* PRODUCTS

Good architects and builders everywhere prefer "Angel's standardized built-in-specialties and cabinetwork" because . . . of the new distinctive beauty of design, superiority of construction, and fine finish. All stock is particularly selected for color and grain and freedom from defects. Thorough kiln drying prevents shrinking or swelling when in use. Each item is carefully sanded and properly packed to insure safe delivery on the job.

***Angel* PRODUCTS Carry a Broad Guarantee of Satisfaction**

Every article in this catalog is guaranteed to be exactly as illustrated and described and to give absolute satisfaction.

This Big, New Reference Catalog fills a long felt need in the building industry.

Pictured and described here you will find a most complete line of Building Specialties, Cabinetwork, Garden Furniture and Dining Booths . . . offered in a variety of sizes, styles and prices that will meet your individual requirements.

Architects, Contractors and Homebuilders find this book an invaluable aid in the selection of materials . . . sizes and description for every article is complete in every detail, designs are architecturally correct and properly proportioned to harmonize with all types of construction.

Economies effected through standardized production mean better prices and quicker deliveries.

You are urged to specify numbers and designs from this reference catalog. When ordering, give necessary information about size, thickness, kind of wood, etc.

Please Do Not Cut This Book . . . if additional copies are desired, write or phone our office . . . see front cover for our name and address.

IMPORTANT! . . . Read these Instructions . . . BEFORE ORDERING!

Before mailing your order — spare a moment or two and read the description covering the articles on your order very carefully . . . Be sure to state item number, thickness, length, width, depth, or height, knock down or set up, glazed or open, kind of material (yellow pine, white pine, gum, oak, etc.). Specify where you desire freight, truck, or express delivery . . .

THIS INFORMATION WILL ELIMINATE COSTLY DELAYS AND INCONVENIENCE.

GONE are the days . . . When it was necessary for a carpenter to saw, fit, and "fuss around" with a set of stock casings and jambs, a pair of china closet sash, a drawer case, and a few shelves to assemble the old style, makeshift, built-on-the job type of China Closet. . . .

TODAY . . . THESE READY-BUILT ANGEL CHINA CLOSETS

Save time and expense, and give the home-owner an architecturally correct design, a soundly constructed, finely finished piece of furniture . . . That is easily and inexpensively installed by the contractor.

Nine beautifully designed Doors are interchangeable in the various Cabinets.

Corner China closets are practical and convenient. They take up floor space seldom used for any other purpose.

All styles are shipped in semi set-up form, and are easily and quickly assembled and installed.
(Number 118 is shipped completely set up.)

The following pages give complete information and prices about this popular line of Cabinets.

INDEX! . . . For Quick, Handy Reference . . . INDEX!

ANGEL

GARDEN AND LAWN

FURNITURE

Beautiful Gardens - - - Beautiful Homes!

Every home, old or new, whether it be a big handsome spacious residence or a plain humble ordinary looking cottage — its value is greatly increased and its appearance improved by an attractive lawn and garden.

As an aid to the beautification of "home grounds" the ANGEL Line of Garden and Lawn Furniture pictured and described on the following pages assists not only in the adornment of the garden — but its comfortable Lawn Benches, charming Rose Arches, restful Arbor Seats and other pieces serve a very practical purpose as well — establishing the garden as a definite part of the home, "an out door living room" as it were, where many happy healthful hours may be spent in the great outdoors.

FEATURES OF

ANGEL GARDEN FURNITURE

It is a high grade hand-made line and truly moderately priced for such quality. . . Made of the Finest of selected White Pine Stock. . . The designs are architecturally correct, properly proportioned to harmonize with any type of architecture. . . . Sturdily constructed to withstand all kinds of weather; to insure long life as well as attractiveness. . . All joints are secured with waterproof glue and wherever practical joints are mortised and tenoned as well. . . Every item is carefully packed to insure protection in transit, so it will arrive safe and clean on the job. . . . All Chair Seats, Bench Tops, and Table Tops are slotted to permit rain water to drain off easily thus preventing the possibility of warping. *

— Ready for Immediate Reference

Owners and operators of Restaurants! Drug Stores! Cafes! Candy Shoppes! etc.
 . . . have been quick to realize the many advantages of installing Dining and
 Soda Nooks in place of old style equipment.

ANGEL STANDARDIZED DINING AND SODA BOOTHS

Make it possible to serve patrons more quickly, efficiently . . . afford a more convenient layout and arrangement of the store interior. The semi-privacy and exclusiveness they offer is a desirable feature in many places.

The ANGEL line is most complete; styles and sizes shown on the following pages will meet every need for design and size . . . and will harmonize with every type of store equipment.

Every Single Unit of the Booth is sold separate. End Seat . . . Double Center Seat . . . Table (and Back Panel in numbers 73, 73A, 90, 91 and 89).

Furnished in semi set up form . . . easily assembled. Rigidly and sturdily constructed to withstand the hard and constant day in and day out usage.

ANGEL BREAKFAST NOOKS

For use in the home are also shown on the following pages in a number of charming designs.

FOLD-IN-WALL BREAKFAST NOOK

No. 72

(Showing Set Opened — Ready for Use)

SOLID, FIRMLY BALANCED AND BRACED WHEN OPENED

Table and Benches open and close with one single operation — Legs move automatically into desired position when Table and Benches are raised and lowered.

Note . . The complete Set fits inside the Cabinet. Benches are firmly braced and attached to the Backboard of Cabinet, entirely independent of French Doors . . This affords an absolutely rigid, strong, sturdy construction which will not wobble or side sway.

No casings furnished (Cabinet should be trimmed with casings to match those on Doors and Windows).

Shipped completely assembled, ready for installation . . Priced with and without French Doors (any pair of stock size 2'4" x 6'6" (15 lite) French Doors may be used).

LIST PRICES

(Without French Doors)	\$44.00
(With pair French Doors 2'4" x 6'6" Glazed)	.65.00

THE ANGEL MILK SAFE AND

Figure 1

A Door is provided opening on the outside of the house (Fig. 1) through which access is gained to the door covering the "Receiving Compartment" (Fig. 2), into which milk bottles (or other packages) can be deposited from the outside by the delivery man and this door is then automatically locked by simply closing it . . . and cannot again be opened from the outside.

From an interior Door on the inside wall of the house, the housewife may remove the full milk bottles and replace empty ones (Fig. 3) and the safety lock provides that the compartment door will be automatically left unlatched as soon as the inside door is opened . . . and will be left in that condition even after the inside door is closed (Fig. 4) . . . so that it's all ready again to receive deliveries.

**This New Convenient, Sanitary
Delivery Cabinet
should be in every home!**

A Complete Unit

. Furnished all set up with casings and all hardware.

Easily, quickly and inexpensively installed in any house (old or new).
Costs but little . . . adds tremendously to the value of a home.

Figure 2

LIST PRICE

(see next page)

PACKAGE CONTAINER No. 22

Modern, Safeguarded, Perfectly Protected Deliveries

Figure 3

Articles may be safely deposited in cabinet from outside and received inside without leaving the house or even opening an exterior door.

SPECIFICATIONS :—

Made of selected grade of White Pine
Size of Rough Wall Opening: 12½" wide, x 28"
high, x 5⅝" deep to fit 4" stud.
Overall Size of Cabinet: 20" wide, x 35½" high.
One complete Cabinet in a package.

This wonderful New Cabinet provides a compartment of standard size, built into the wall (between 4" standard studding) by which articles are received through outside door and removed from within. Installation in old or new homes is only a few minutes work for a handy carpenter.

THE ANGEL IRONING BOARD CABINET

- . . . LIGHTENS HOUSEHOLD CARES AND WORRIES
- . . . NO MORE FUSSING WITH THE CLUMSY, OLD FASHIONED IRONING BOARD
- . . . FOLDS CONVENIENTLY INTO THE WALL OUT OF THE WAY
- . . . ALWAYS HANDY, READY FOR USE AT A MOMENT'S NOTICE

Whatever the size, style, or price of Ironing Board Cabinet you're looking for . . you will surely find one to meet your exact requirements among the fourteen models on the following pages.

DELUXE MODELS

(Nos. 550, 575, 600, 625, 1000)

These numbers are in a class by themselves . . recognized everywhere as the "BEST" of the better class of Ironing Board Cabinets — main and sleeve board of extra thickness, stock will not warp or spring. All nickel plated metal Braces and long continuous, heavy duty nickel plated hinges insure lasting beauty and service; carefully braced so pressure is equally distributed; automatic lock spring holds boards in Cabinets when not in use.

"STANDARD" MODELS

(Nos. 750, 775, 800, 825, 900, 925)

Soundly constructed and rigidly braced with sturdy wooden supports, automatic lock spring holds boards in Cabinets when not in use. These standard models have proven a very popular line.

"ECONOMY" MODELS

(Nos. 911, 920, 950)

Big demand and volume production has made it possible for us to offer these three exceptional Cabinets at such moderate prices.

The following pages give complete information and prices on this popular line of Cabinets.

INDEX! . . . For Quick, Handy Reference . . . INDEX!

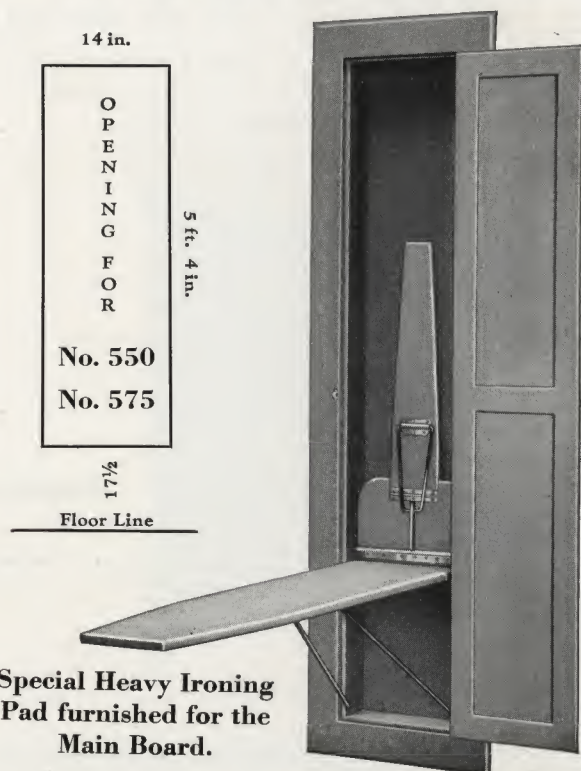

Here's a complete index to all Ironing Board Cabinets shown on following pages

Same Cabinet
(without casings)

NOTE: New Nickel Plated
Lock supplied in place of
lock spring to hold Main
Board in place when not
in use.

Complete Index
Ironing Board Cabinets
Page 69.

Special Heavy Ironing
Pad furnished for the
Main Board.

All nickel plated metal working parts insure lasting beauty and service.

Design and Construction: — Both Main and Sleeve Board are fitted into the backboard in such a manner that when pulled down into working position, they fit in under the backboard, rendering them absolutely rigid.

The Main Board has a surface 4'0" long by 11½" wide and 1¼" thick. (Ordinary Ironing Boards are only ¾" thick) supported by Nickel Plated Metal Braces, also long continuous Nickel Plated Hinges (similar to those used on Pianos). The Sleeve Board has the same rigid construction.

Operation: — A Nickel Plated Handle enables anyone to pull the Main Board from the cabinet very easily. Automatic lock spring and Nickel Plated Lock holds the Main and Sleeve Boards in cabinet when not in use. A person may safely work on the Main Board without fear of Sleeve Board falling out.

SPECIFICATIONS:—

Made to fit between studs, 17½" from floor level (as shown by above sketch).

Furnished in Two Styles:

No. 550, Complete with casings and all hardware, ready to be installed.

No. 575, Without casings and door hardware.

Rough Wall Opening: 14" wide, 5'4" high, 4" deep.

No. 550, packed individually in dustproof carton.

No. 575, packed two in a crate.

Made in Arkansas Pine.

IRONING BOARD CABINET

No. 600

Shown here
(without casings)

No. 625

Same Cabinet
(with casings)

NOTE: New Nickel Plated Lock supplied in place of lock spring to hold Main Board in place when not in use.

Special Heavy Ironing Pad furnished for the Main Board.

Complete Index
Ironing Board Cabinets
Page 69.

All nickel plated metal working parts insure lasting beauty and service.

Design and Construction: — Both Main and Sleeve Boards are fitted into the backboard in such a manner that when pulled down into working position, they fit in under the backboard, rendering them absolutely rigid.

The Main Board has a surface 4'0" long by 11½" wide and 1¼" thick. (Ordinary Ironing Boards are only ¾" thick) supported by Nickel Plated Metal Braces, also by long continuous Nickel Plated Hinges (similar to those used on pianos). The Sleeve Board has the same rigid construction. **Operation:** — Nickel Plated Handle enables a person to pull the Main Board from the cabinet very easily. Automatic lock spring and Nickel Plated Lock holds the Main and Sleeve Boards in cabinet when not in use.

SPECIFICATIONS:—

Made to fit between studs on level with floor line as shown in sketch on other side.
Furnished in Two Styles:

No. 600, Without casings and door hardware.

No. 625, Complete with casings and all hardware, ready to be installed.

Rough Wall Opening: 14" wide, 6'8" high, 4" deep.

No. 600, Packed individually in dustproof carton.

No. 625, Packed two in a crate.

Made in Arkansas Pine.

WALL IRONING BOARD

(Patent Applied For)

Showing
Ironing Board
Closed

No. 950

**Special Heavy Ironing
Pad furnished for the
Main Board.**

Complete Index
Ironing Board Cabinets
Page 69.

Perhaps no other convenience is more appreciated than a Wall Ironing Board. It is entirely out of the way, yet always ready for use.

It is generally placed in the kitchen but may also be put up in a sewing room, nursery or back of closet door.

Ease of placing — only 6 screws.

SPECIFICATIONS:—

Size: 18½" wide overall, 58¾" high.

Main Board: 13¼" x 47".

Back of Cabinet, open — No Panel.

Main Board is covered with a heavy quilted pad.

This Board overlaps the frame giving ample room for pad. No damage to the wall as board is closed.

Made of clear White Pine.

Hundreds of different and practical combinations to fit every size and type of kitchen or pantry.

ANGEL SECTIONAL KITCHEN CABINETS

Offer 23 separate Standard Units, each one designed for a particular purpose . . . which may be grouped together to form hundreds of different and practical, convenient combinations to fit the requirements of any size or type of kitchen.

These Individual Units . . . enable the housewife to select the various sections best suited to her own individual needs — and arrange them in a combination . . . “to meet her own ideas” as to how equipment for her size and style of kitchen or pantry should be arranged.

THE DESIGNS are such as will meet the demands of every housewife.

THE CONSTRUCTION accurate, careful machining, grooving, and fitting insures the same sound, durable, sturdy construction as is found in the finest of furniture.

THE PRICES are truly moderate for such superior grade of cabinet-work . . . this is possible through Standardization and Volume Production.

SECTIONS ARE SOLD IN TWO FORMS

SET UP:—

In this form, each section comes to you completely assembled and set up . . . ready for installation . . . each Unit carefully packed in a substantial wooden crate. (Doors for Center Sections in separate crate.)

SEMI KNOCK-DOWN:—

In this form, the various parts come to you completely machined, fitted and grooved all ready for assembling . . . each Section carefully packed in a substantial wooden crate. (Doors for Center Sections in separate crate.) Easily and inexpensively assembled by any handy carpenter.

EACH INDIVIDUAL UNIT IS SOLD SEPARATELY prices for Base Sections *do not* include Counter Tops . . . *Counter Tops must be ordered separately* . . . When estimating length of counters, take the total of the widths of base units and add 2" to take care of overlap, cutting, etc.

IF YOU ARE UNDECIDED *let us suggest a combination for your kitchen* . . . simply mail us a small rough sketch showing floor and wall space, door and window openings . . . *and we will suggest a possible combination to meet your needs.*

SECTIONAL KITCHEN CABINET

DRAWER CASE

No. 234

Specially designed Steel Drawer Slide, composed of a metal track built into the underside of each drawer, and a Steel Bar Guide is attached to the frame, providing a runway on which drawers slide in and out smoothly and noiselessly. A Roller Wheel is attached to the top of the back end of each drawer and runs along a hardwood Drawer Guide preventing the drawer from sagging when opened. Mortised and Tenoned Joints makes this a strong, rigidly braced case.

Made of clear Arkansas Pine Stock. Drawer bottoms of 3 ply $\frac{1}{4}$ " Fir Panels. Each drawer furnished with Wooden Drawer Pulls (same as shown in illustration). One complete set in crate.

Furnished in Three Different Styles (3, 4 and 5 Drawers).

As Practical and Convenient as the Telephone Itself!

MODERNLY STYLED
ANGEL TELEPHONE CABINETS
FOR MODERN HOMES

Affording a handy place for the telephone, providing for the phone book and the bell box (openings in bottom panel allow sound of bell to be heard plainly) . . they are a decided asset and truly an additional piece of furniture for any room.

Nos. 41 and 42 have sliding roll top which completely conceals phone when not in use.

Nos. 43, 44 and 45 have a patented sliding shelf, which, when pulled forward, automatically lifts roll top and brings the telephone forward where it is ready for use. These four styles are designed especially for the New Hand Set (French type) Phone — all other styles *will accommodate both types of Telephone* (the new and old style).

The high grade Electric Clock (well known make) built into top panel on Nos. 44 and 45 is a very desirable feature. Furnished complete with cord and plug.

A STYLE, A SIZE AND A PRICE TO MEET EVERY NEED

The Stud Type, to be built into the wall between studs (Nos. 41, 42, 43 and 44).

The Square Wall Type, to be hung on the wall, No. 45.

Furnished completely set up with all hardware, ready for installation.

The following pages give complete information and prices on this popular line of Cabinets.

HOUSE PLAN SECTION

A Modern Plan Service Available to Users of ANGEL PRODUCTS

THE purpose of this plan section is to furnish the prospective home owner with medium cost, well planned, delightfully attractive and comfortable homes, which must, above all things, be convenient and homelike, as a properly designed dwelling means easy house-keeping and cozy home-making.

The plans in this book have been carefully worked out by a competent architect, recognized not only as an artist, but as a practical architect well versed in all matters connected with the allied building trades. Each plan has been carefully selected for artistic design and economy in construction, and is well suited for the lover of a beautiful home, as well as the speculative builder.

Any plan illustrated in this book can be furnished promptly either as shown or reversed upon receipt of price quoted.

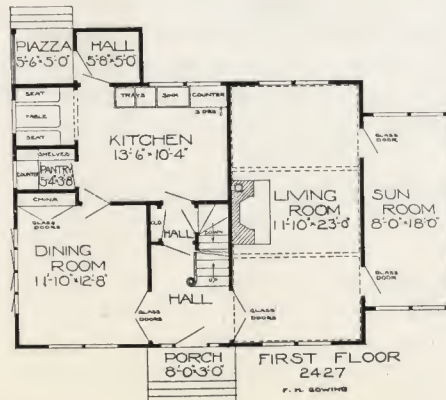

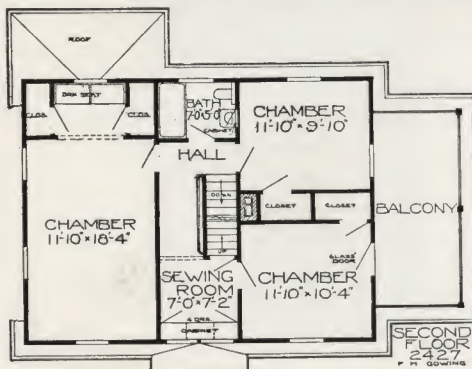

A complete set of plans consists of blueprint plans of cellar, plans of each floor, all elevations, and framing plans of each floor and each elevation, all drawn to a scale of four feet to one inch, and shows every timber in the building with all sizes and spacing and size of all doors, windows, and other features. Outside dimensions given do not include porches or bay windows unless so stated. Room dimensions are given approximately, so one may secure a plan with rooms arranged to meet their requirements.

All plans and specifications provide for an outside entrance to the cellar, which extends under the entire building. All open plumbing, and all hardwood finished floors; these items can be changed when building, to meet each individual requirement.

Specifications are as complete as can be made and comprise ten to fourteen pages of typewritten matter, great care being taken to specify each item separately, method of finishing, foundations, carpenter's work, lumber and finishing material, plumbing, heating, etc. If ordered at the same time as the original, extra copies of plans and specifications will be furnished at the price quoted.

Original tracings are made on very thin transparent material, and are always retained for reference.

All plans are sent by mail, unless otherwise ordered, and we guarantee safe delivery; if a set of plans should be lost, a duplicate can be sent at once. If you wish plans by registered mail, add fifty cents for each set of plans ordered. All plans should be ordered by number. Write number of plan, name and address very distinctly to avoid errors or unnecessary delays.

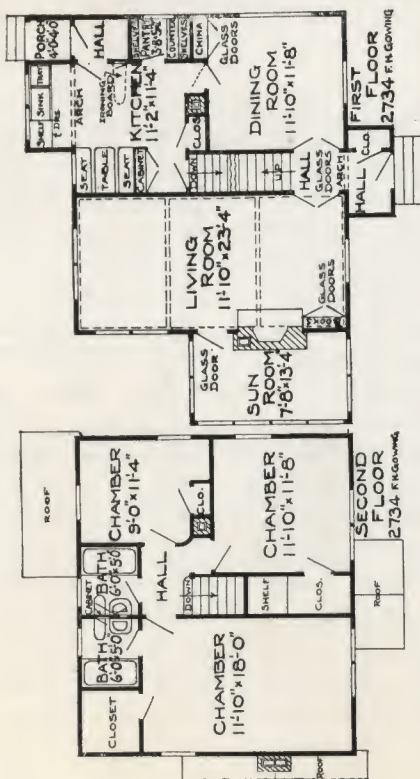

No. 2427. This is a most satisfactory design for any good suburban location, with all open plumbing, laundry trays located in the kitchen, but can be placed in the basement at a slight additional cost, if desired. There is a large pantry conveniently located between kitchen and dining room and a large china closet. A cozy breakfast room is located in one corner of the kitchen and there is ample space for a refrigerator in the rear hall. A large sun room leads from the living room with French doors. A brick porch floor and steps and the colonial side lights all contribute toward the attractiveness of the design. The outside dimensions of the main house are 32 feet and 24 feet deep. The cellar is finished 7 feet 6 inches deep with concrete floor and walls. The first story is framed 8 feet 6 inches, the second story 8 feet.

Home owning hearts are happiest.

ONE SET OF PLANS AND SPECIFICATIONS, \$15.00
ADDITIONAL SETS WITH ORIGINAL ORDER, EACH 5.00

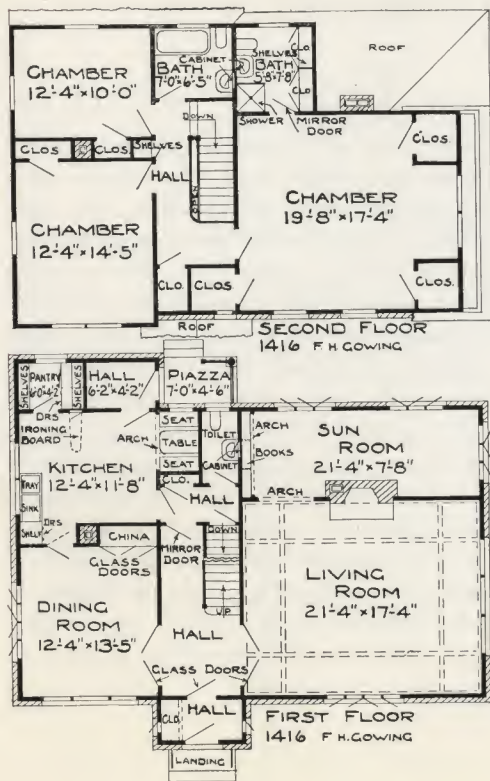

Keep This Catalog Handy On Your Desk at All Times — Ready for Immediate Reference

No. 2734. This is a very attractive design for a medium-cost six-room cottage with all modern improvements, two bathrooms on second floor, one can be omitted, if desired, unusual amount of closet space, ample space in rear hall for refrigerator, china closet with drawers and glass doors, convenient kitchen closet, dinette alcove placed in the kitchen, also ironing board cabinet and cozy sunroom leads from the living room with French doors between, and French doors also placed between hall and living room and dining room. The exterior walls are covered with eight-inch colonial siding, shingles or stucco can be used without changing the plans in any way. The cellar extends under the entire building 7 feet 6 inches deep with concrete floor and walls. The first story is framed 8 feet 6 inches, second story 8 feet. The outside dimensions of the main house are 28 feet front and 24 feet deep.

Less Than Carload FREIGHT RATES on **ANGEL** PRODUCTS

These Classifications and Rates have been compiled from reliable rate and classification guides and are assumed to be correct but we do not assume responsibility for errors, etc.

HOW TO USE THESE TABLES

First find the classification in which the article is listed — then, find the rate for that class to the R. R. center mentioned here that is nearest to your city or town — weights of products will be found on the descriptive page in catalogue for each item — the actual freight charges are then easily figured, based on the rate per 100 lbs.

CLASSIFICATION

ITEMS

D 1	Garden Benches and Mirrors.
1½	Garden Chairs, Tables, Bookcase and Mantels.
1¼	Colonnades, Buttress or Divider Cabinets, Drawer Cases, Kitchen Shelves, Utility Chair and Corner China Closet (S. U.).
